## CHAPTER 5 THE LETTER

Oh, you feel  
like to be  
kissing it off.

A moment's respite  
with Andre.

### Magical Messenger Pigeon

Messenger Pigeons with  
spells cast on them to  
"home in" on specific  
person, rather than just to  
a specific location. The  
spell also increases the  
flight speed.

MAGICAL  
MESSENGER  
PIGEONS...?

OH...

AND HOW  
ARE THEY DIFF-  
ERENT FROM  
THE USUAL  
MESSENGER  
PIGEONS?

YES,  
OUR OFFICE  
STRONGLY  
RECOMMENDS

USING  
THESE  
PIGEONS TO  
EXCHANGE  
LETTERS.

*No matter where the recipient is, the pigeons will always find their mark!*

*In other words...*

*The 'Magical' Messenger Pigeon Machine!*

*Just leave it all to the machine our kingdom's magicians made...*

*The process is pretty simple...*

...CHL

OH?

SO IT'S NOT HOMING TO A SPECIFIC "LOCATION" BUT RATHER TO A SPECIFIC "PERSON"?

*Yes, exactly.*

*Precisely*

*And your mano signature will be recorded by the machine.*

WHIR

*First, place your hand on the sensor.*

THEN...  
LET'S GO  
WITH HER.

*...I understand,  
Meru-san it is!*

ONCE SHE GIVES  
PERMISSION, WE  
WILL SET UP A  
MESSENGER  
PIECON. ALL THIS  
SHOULDN'T TAKE  
MORE THAN A FEW  
DAY'S TIME.

OUR OFFICE  
WILL CONTACT  
MERU-SAN  
ABOUT YOUR  
REQUEST...

WHEN EITHER  
PARTY IS OUTSIDE  
THE RADIUS, THE  
PIECON WILL  
MERELY RETURN  
TO ITS NEST.

OH,  
I SEE

THE MES-  
SENGER  
PIECON'S  
HOMING  
ABILITY  
WILL ONLY  
WORK...

IF THE  
RECIPIENTS  
REMAIN WITHIN  
A 10KM RADIUS  
OF THE  
MACHINE.

SURE...

AH...

ONE  
LAST  
THING...

TO  
NOTE...

'Menu  
-GARY,

EITHER  
WAY, LET'S  
READ IT.

For  
your  
first  
class  
lesson

But  
you  
looked  
so  
normal

Crap...  
I'm not  
good with  
these  
types...

WHAT A STIFF  
OPENER...  
AND IT'S  
INCREDIBLY  
DENSE.

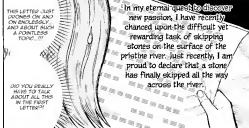

'Salutations,  
praise be to  
your continued  
health...'

...CAN'T YOU  
GET TO THE  
POINT AL-  
READY?

'The gentle breeze  
that blows across  
the golden wheat  
fields on the Udanu  
plains, like a mother  
singing a lullaby to  
her newborn child...'

AND WHAT'S  
WITH ALL  
THESE OB-  
SCURE REFER-  
ENCES...

'Yuri-san  
seems to be a  
man of many  
words,

I'm very glad to  
have received  
your letter...

Is that all?

ARE YOU  
POSITIVE  
THERE ARE  
NO OTHER  
LETTERS?

Coo

SURE THIS IS  
EVERYTHING?

UGH...

'P.S. I have tried  
to draw a picture  
of my traveling  
companion... but it  
is like this!'

Because the ink  
has not to dry, so  
the picture is  
slightly smeared.

HAHA...

( young girl  
still missing )

But still,  
he brought  
it on him-  
self!

Admission:  
I feel a bit  
sorry for  
him.

Once again,  
good evening,  
Menu-san, my  
name is Yuri...

Thinking that perhaps  
our pigeon got into an  
accident of some sort  
during the delivery  
process, I've decided  
to purchase a new  
messenger pigeon  
as a replacement...

HE WILL  
FINALLY  
GET THE  
HINT...

HOPEFULLY,  
IF I REMOVE  
THIS  
SECOND  
PERSON AS  
WELL...

I CAN'T  
BELIEVE HE  
WENT OUT  
OF HIS WAY

soon...

And I  
can feel  
my body  
slowly  
waning  
away...

He gives  
me neither  
food nor  
water...

A few  
days  
have...

Passed  
since then.

Painting  
me on his  
canvas...

All the while  
wearing a  
creepy smile.

All that man  
does to all  
them...

SPX: Whoosh!

I have thought about whether to write a reply for several days...
